Congratulations to all the newly installed Officers & Board members!

I am very much looking forward to all that we can accomplish in this upcoming NAWIC year. It's tough for me to believe summer is over, but my first Director deadlines are rapidly approaching, with this newsletter being one of them. Please do not hesitate to contact me with any questions, comments or suggestions.

October 1 is around the corner. Please reach out to all members and remind each other what the value of NAWIC is and ensure that we all renew. If your chapter has a phone tree, this is the perfect opportunity to use it and foster camaraderie within your chapter.

I am sincerely looking forward to working with all of you and hope to see each and everyone of you in Portland!

Your Education. Your Career. Your Future.

Tri-Cities hosts MAGIC Camp

Mentor a Girl in Construction (MAGIC) career exploration and skills camp offered a chance to learn about career opportunities in construction and complete projects in the areas of carpentry, welding, sheet metal and electrical. The Tri-Cities chapter hosted 27 girls in grades 8—12, from all over the Tri-Cities. They met with local apprenticeship coordinators, engineers and construction management professionals to complete their projects with area female apprentices and journeymen. Way to go Tri-Cities!

2017 AM & EC

NAWIC's Annual Meeting & Education Conference was held in Anaheim, California this year. We had a blast, even when we had to get up and be lovely at 7:30 a.m. for our Pacific Northwest group photo.

Lauline Mitchell, our new Director for 2017—2019 was installed along with our new National President, Catherine Schonenberger and her cabinet. See the following page for a casual (FUN) shot of our newly elected officials.

Friday Night Gala

I thought the Hyatt did an exceptional job of creating edible meals with great presentation during the conference. On the left you'll see the set up and several of our beautiful PNW members enjoying dinner at the gala.

Be sure your chapter has representation at AM & EC. Although the hurricanes have ravaged many areas I'm optimistic the Buena Vista Hotel in Fort Lauderdale will be sufficiently recovered to host us.
