

## Why be a sponsor?

Your sponsorship of this NAWIC event provides the opportunity for your company to demonstrate its commitment to NAWIC's core purpose of enhancing the success of women in the construction industry. Additionally, it allows women to develop their skills and gain knowledge that will be put into practical use at their companies.

Women from Washington, Oregon, Alaska, Idaho, Montana, Guam and Northern California will be in attendance. Our diverse network includes tradeswomen, owners, contractors, architects, engineers, and many other construction-related professions.
