

PNW Fall Conference 2023

Under The Big Sky: Treasure Your Value in Construction

Sponsorship Package

October 11 – 13, 2023

Hilton Garden Inn Missoula

Hosted by NAWIC Montana Chapter #387

Montana

Company or Individual:

The National Association of Women in Construction (NAWIC) Montana Chapter #387 will be hosting the NAWIC 2023 Pacific Northwest Region Fall Conference in Missoula, MT this fall. We are proud to say that our newly chartered chapter has the opportunity to host a regional conference in our great state of Montana.

We are reaching out in search of opportunities to partner with your organization and would greatly appreciate your consideration.

The Montana Chapter of NAWIC is an association of women in the construction industry promoting motivation for growth through education, and support to foster confidence and strength to pursue opportunities that advance their careers. The Montana Chapter has been active for 3 years and is comprised of more than 22 members from 15 companies throughout Montana. Our national network encompasses nearly 5,000 construction professionals in 115 chapters across the United States and Guam.

Sponsor partners of this event are integral to furthering the work we do with women in construction, helping to provide education, support networks, employment opportunities, and a positive introduction to the construction industry. Any support of a new, small chapter encompassing the entire state of Montana will have a lasting effect on the success of our Chapter. Partners are highlighted in many ways ensuring increased positive visibility. Sponsor advertisements are determined by sponsorship tier. Please see the attached sponsorship packet for your reference.

Thank you for considering a sponsorship for the PNW Fall Conference 2023 hosted by NAWIC Montana and for further investing in the advancement of careers for women in construction.

Respectfully,

Olivia Adolph

Why be a sponsor?

Your sponsorship of this NAWIC event provides the opportunity for your company to demonstrate its commitment to NAWIC's core purpose of enhancing the success of women in the construction industry. Additionally, it allows women to develop their skills and gain knowledge that will be put into practical use at their companies. Women from Alaska, Guam, Idaho, Montana, Northern California, Oregon and Washington will be in attendance. Our diverse network includes tradeswomen, owners, contractors, architects, engineers, and many other construction-related professions.
